Pre-requisites

Following points must be followed before starting the Plugin installation:

- You should login as an Admin in Odoo.
- Check that your Odoo Instance is compatible for Clever Multiple Invoice Templates.
- An e-commerce module should be present in your instance to use this app.

Installation

Installation Steps

Step 1: Download and extract the zip file.

Step 2: Check your Odoo add-ons path.

- It should be same as defined in Odoo Config file.
- Config files are mostly saved in /etc folder. For e.g. /etc/odoo.conf
- Open Config file:
    - Give the command: sudo/etc/odoo.conf
    - Config file content: addons_path = /opt/odoo/addons

Step 3: Open Terminal and go to download location

- For e.g. if the download location path is: /home/odoo/Downloads then the command to be written in the terminal would be: cd/home/odoo/Downloads

Step 4: Copy download modules to addons path

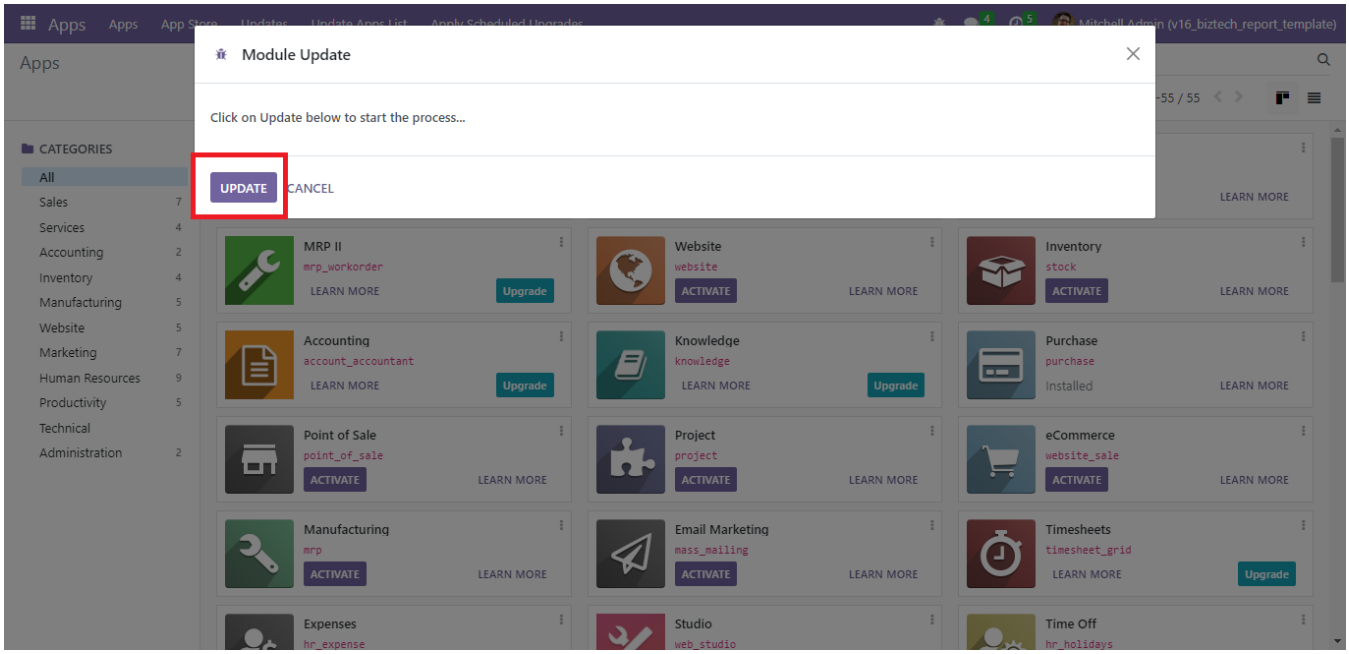

- Give the below mentioned commands to perform copy operation:
    - $cd /home/odoo/Downloads/biztech_report_template
    - $cd v16
    - $sudocp biztech_report_template/opt/odoo/addons

Step 5: Restart Odoo server

Step 6: Login with the admin credentials in your odoo instance

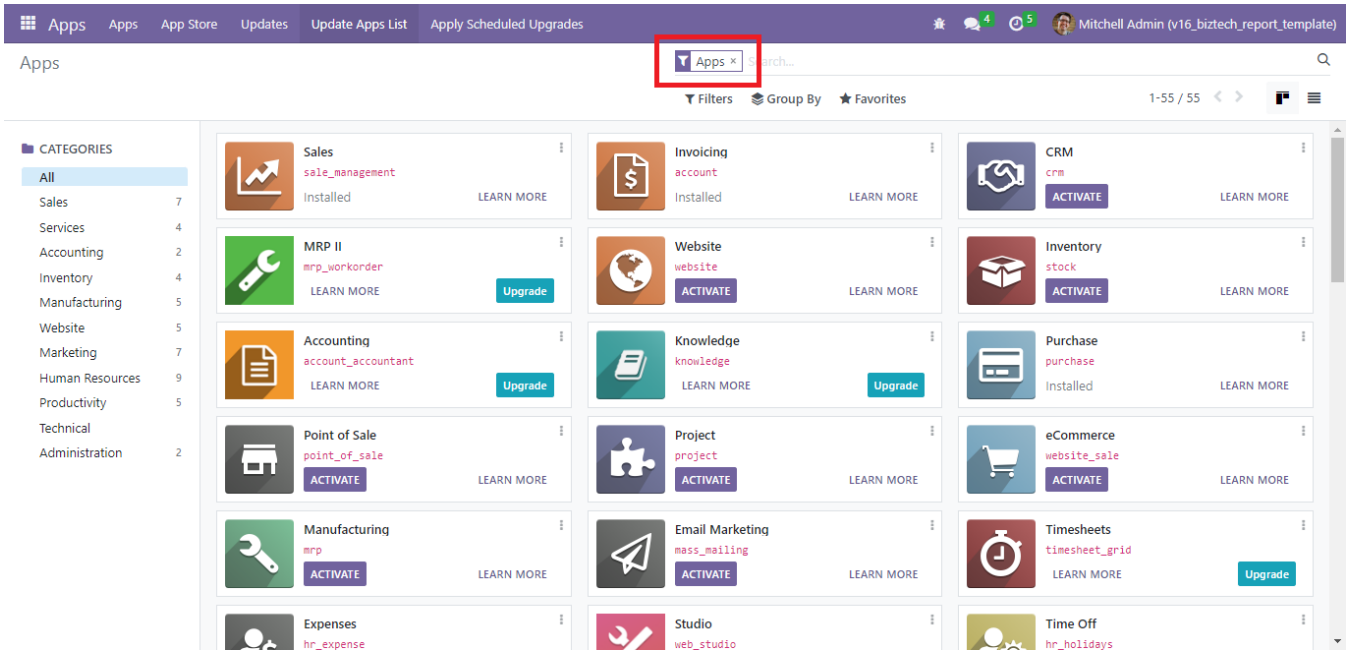

Step 7: Go to Settings/Update Module List.

- Click on **'Update'** button.

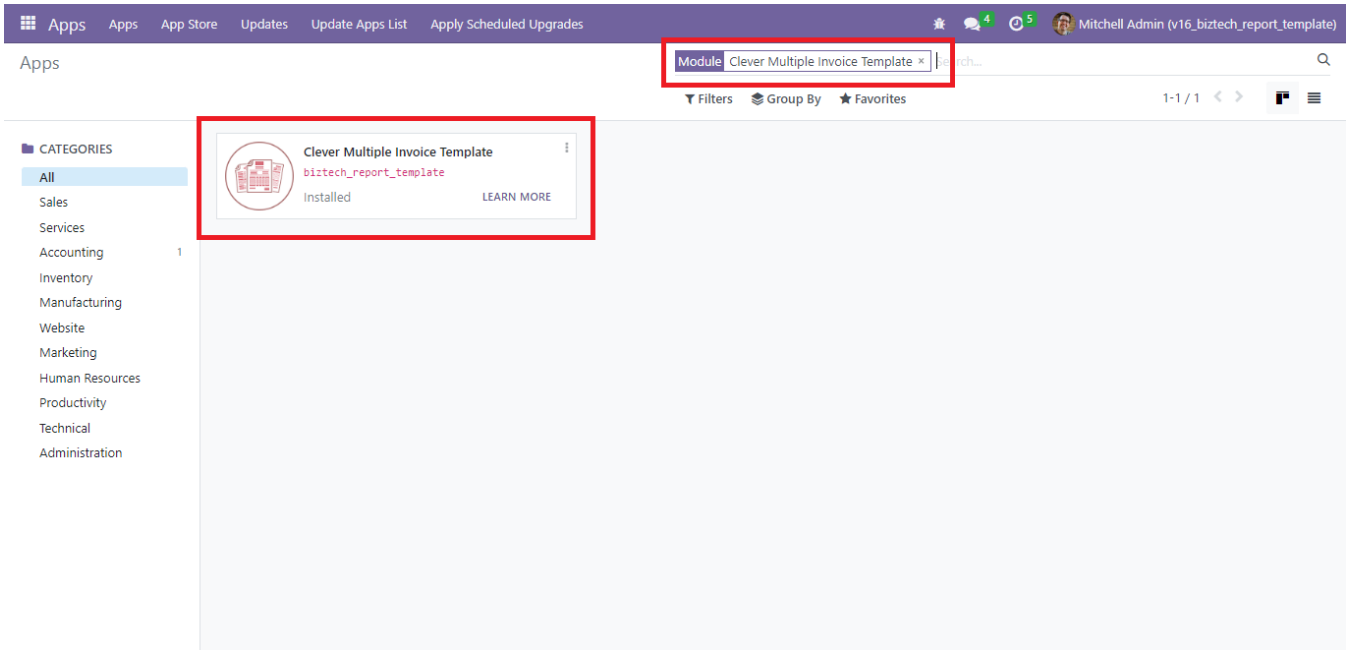

Step 8: Go to Settings/Local Modules

- Remove search filter.

- Enter module name in the search box provided in the top right corner of the page. For e.g. here write “Clever Multiple Invoice Template”.

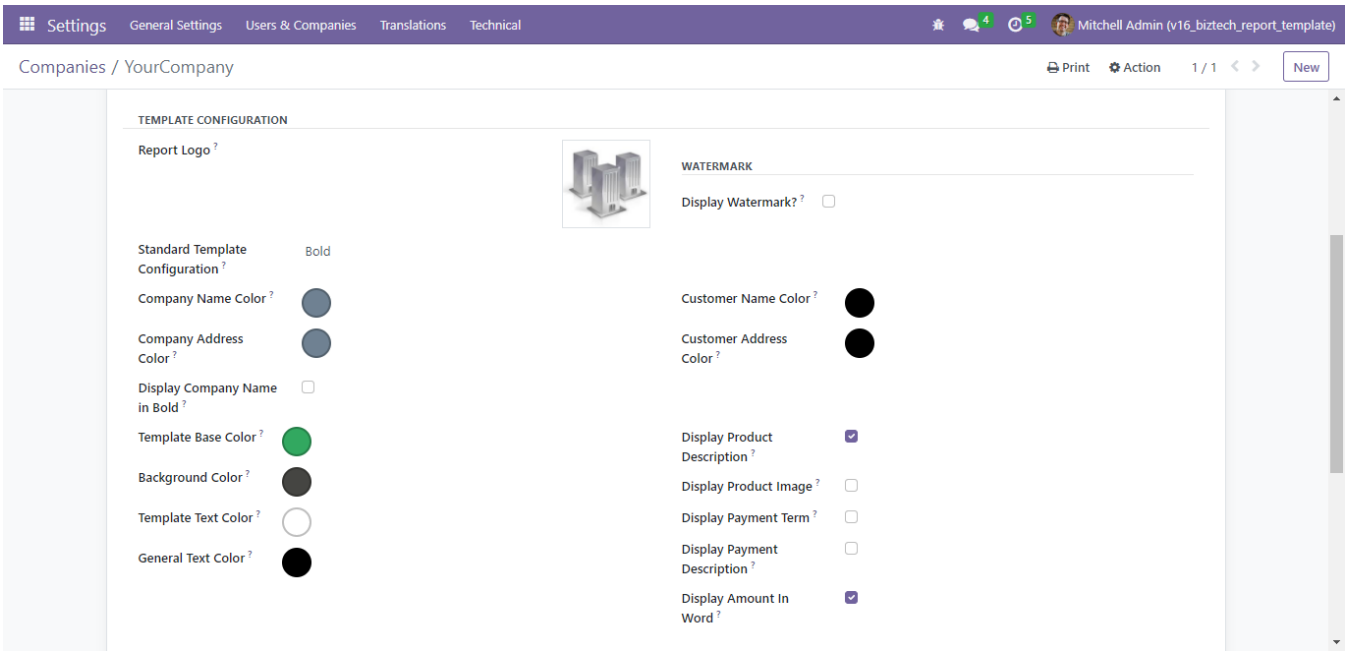

- Click on **‘Install’** button.
